Quick Start Guide
Stylus 730

Start Here

The camera you have purchased is equipped with “Normal mode” and “Simple mode”. This manual presumes that you are using the camera in “Normal mode”, which is the default setting. For instructions on how to switch between “Normal mode” and “Simple mode” and how to operate the camera in “Simple mode”, refer to the “Advanced Manual”.

For more information, please refer to the Basic & Advanced Manuals or visit: www.olympusamerica.com/support

1 Gather these items (box contents)
